

PBIS Tier 2

Leadership Academy

June 13-15, 2018

8:30 a.m. to 4:00 p.m.

Huntington Beach, CA

A three-day intensive academy focused on advanced facilitation, training and coaching skills for PBIS Coordinators and External Coaches supporting sustained implementation of a Multi-tiered Systems Framework.

PBIS Tier 2 Leadership Academy is designed as an advanced and interactive training aligned with the National Technical Assistance Center on PBIS Training and Professional Development - Blueprint (2016). This academy provides the necessary content and key professional development skill sets to build internal capacity for sustained implementation of Tier 2 systems, practices and data.

OUTCOMES:

- Understand the essential features of a Tier 2 PBIS Professional Development System
- Develop Tier 2 key content knowledge and skills to facilitate, train and coach Tier 2 teams
- Explore training and support aligned with the Tier 2 Fidelity Inventory (TFI):
Systems: Teams, Screening, Student Review Process, Data Collection, Progress Monitoring & Decision Making
Practices: Classroom Practices, Check-in Check-out (CICO), CICO for Avoidance, CICO with Academics, CICO with Mentoring, Practical Teacher-Guided Behavior Support Planning
- Design a professional development plan to:
Access school team mastery and implementation;
Assess trainer and/or coach content knowledge;
Monitor student outcomes

Who Should Apply:

PBIS Coordinators and External Coaches who:

- ▲ Support existing PBIS school site teams
- ▲ Co-train with statewide CaTAC-PBIS or regional PBIS trainers
