## PBIS Tier I Leadership Academy

is designed as an advanced and interactive training aligned with the National Technical Assistance Center on PBIS *Training and Professional Development Blueprint (2016)*. This academy provides the necessary content and key professional development skill-sets to build internal capacity for sustained implementation focusing on:

**Training** - training action plan, and implementation of effective and efficient training activities.

**Coaching** - facilitating, assisting, maintaining, and adapting local school training implementation efforts for both initial training and on-going implementation support.

**Evaluation** – progress monitoring of measurable outcomes and adapted action plans.

**Coordination** - effective and efficient utilization of materials, time, personnel, in the implementation of action plan.

## Who Should Apply

PBIS Coordinators and External Coaches who are currently:

- ▶ supporting PBIS implementation and school site teams from exploration to regeneration.
- ▶ receiving technical assistance from regional or state (CaITAC) PBIS trainers.
- ▶ have an existing PBIS Action Plan linked to a District Improvement Plan.
