

# Tier 1 Schoolwide PBIS VIRTUAL Series

8:30 a.m. – 11:30 a.m. PT  
September 19, September 26,  
October 10, October 31, 2023

## Who should attend?

MTSS-PBIS **secondary leaders** interested in building technical knowledge and core competencies for guiding **high school** teams and students. Tools and techniques will be used to leverage core strengths in the implementation and refinement of a social-emotional (SEB) framework of well-being by engaging the whole system to accelerate positive growth. This series is appropriate for secondary leaders from newcomers to innovators.

## Tier 1 Schoolwide PBIS Implementation Series

*Implement a Social Emotional Behavior (SEB) framework with site-level leadership teams, student voice, staff/family/community partnerships & mental health integration within a culture of dignity promoting a positive school climate.*

### Module 1 – Foundations for Building a Student-Driven Inclusive Culture of Well-being, Belonging & Dignity

**Date: September 19, 2023**

*Organize inclusive leadership teams co-creating the necessary cultural changes following a strength-based implementation model for sustainable systems and practices aligned with the HS implementation model.*

### Module 2 & 3 – PREVENT Practices & TEACH Practices

**Date: September 26, 2023**

*Co-create safe, equitable, predictable, and relationship-centered practices by establishing social emotional behavioral (SEB) expectations aligned with shared values, beliefs, and behaviors of student/staff/community.*

*Apply and amplify schoolwide SEB Expectations with prompts and pre-corrections, acknowledgement and feedback, and self-monitoring practices to promote student self-regulation, partnerships, presumed competence and positive intent, restore relationships, and affirm differences (uniqueness).*

### Module 4 – RESPOND Practices

**Date: October 10, 2023**

*Build resilient communities with dignified discipline systems supporting respectful, restorative & regulatory practices that prime the nervous system for learning and sustains a sense of belonging and inclusivity for all,*

### Module 5 – Strength-based Problem Solving

**Date: October 31, 2023**

*Utilize student-driven school climate data-based decision-making to identify what is in place and next steps needed to meet targeted school-wide goals for an inclusive, equitable and positive school climate.*
